Closing Comments

Conference Objectives:

- To promote and encourage professional growth and development by learning about new developments and standards of practice.
- The participant will be able to network with peers.
- By being active in their State Assembly business meeting, participants will have a voice in how educational programs are provided and how the State of Oklahoma is represented both locally and nationally.

***Please respect our speakers... turn off your cell phones
during the conference.***

**** Voting to take place today for****

OKSA President, Vice President, Treasurer, 5 Board of Directors:

***It is not too late to run for office! Contact one of the OKSA
Officers to find out how.***

*We value your opinion. Please turn in your conference evaluation
form at the end of the day. Your CE's will be automatically applied
by AST if you attend the conference and sign the sing in sheet.*

*Our next conference will be announced on OKSA Facebook page,
OKSA Website, and via email. Be sure to send AST any changes in
your contact information.*

Your OKSA website is available through

<http://www.ast.org/State Assemblies/State Websites/>

Or you can access it directly at <http://ok.ast.org/>

The **OKSA Board** wishes to thank Cherokee Nation for the
gracious donation of the seminar center allowing OKSA
members to obtain quality continuing education at an
affordable price.

A big thanks to our Surgical Tech Students Dakota Smith,
Talara Rolland, Amy Minnick, Kim Daniels, and Paden
Weavel, for introducing today's speakers!

Thank you for attending!

Drive safely! 😊
